Hi! My name is Mary Saville. I am the Reading Partners Coordinator at Northumberland Elementary School. We, at NES, are looking for new volunteers for this program.

Reading Partners has been at Northumberland Elementary School for over 20 years. It is one of the most successful intervention programs in our area. Its continuous growth and achievement is a testament to the committed, caring people that have volunteered over the years.

Reading Partners is designed to help children become proficient readers. While the program has helped all elementary aged children over the years, Reading Partners is currently working with 2nd grade children.

Our Reading Partners program meets on Tuesdays and Thursdays from 3:30-4:15 p.m. in the cafeteria at NES. We will start on Tuesday, October 23rd and end on March 28th. You may choose to tutor both days or only one of them.

As program coordinator, I will have a simple lesson plan for you to use with all the materials readily available. I would like to meet with anyone interested in becoming a volunteer prior to Oct. 23rd to go over the lesson plan and answer any questions about the program.

NES would love to have you as a volunteer. Please email me at msaville@nucps.net or call 580-8032 and ask for Mary Saville if you are interested.

Sincerely,

Mary Saville
Reading Partners Coordinator
